

Watercolour Circle — A Painting Sparrow Group

Come join a gentle, inspiring space for women who want to explore the art of watercolour painting. Whether you're picking up a brush for the first time or returning to a long-lost creative spark, this weekly progressive group will teach you to paint freely at your own pace. With guided instruction and creative prompts, you will build your creative confidence while building friendships with other emerging creators.

This sparrow group stretches over a one-year period and has an artistic mentor that would be happy to connect and answer any early questions you might have prior to the start of the group in September.

There are six spots available in the sparrow group. Approx cost is \$40. The duration of this group is approx. 12 months with weekly painting on Thursday afternoons starting SEPTEMBER 10th.

We are pleased to announce that Pat Wiens is the facilitator of this creative group. She asks that after you initially sign up to join, she would like to reach out to you via email or phone to discuss the details of art supplies and rhythm of the group.

Please sign up at the welcome centre.
