

Fun With Flowers — a Gardening Sparrow Group

Our upcoming gardening group is all about cultivating more than just plants — it's about sharing your love of garden while making new friend connections. Whether you're a seasoned gardener or just curious about getting started, you'll find a warm, supportive circle ready to dig in with you.

Over 3 sessions you will explore gardening, both vegetable and floral. Topics include:

- Steps for creating an amazing planter (demo included)

- Field trips to local vegetable and flower gardens

- Learning new ways to identify plants and their health

All you need is a notebook to be a part of this vibrant group. Every meeting will be a mix of learning, chatting, and celebrating the small joys of tending to living things.

We are pleased to announce that Patricia Corder will facilitate this Sparrow group. The group will gather at Patricia's home in South Surrey. There is no cost associated with this group.

The three sessions are June 12, June 19, and June 26.

Please sign up at the welcome centre.
